

*Arizona Correctional Industries provides quality signs to commercial and industrial businesses and government agencies throughout the state. Along with our standard sign products, we work with our clients to develop specific sign systems to meet their individual needs. The ACI Sign Division is staffed with highly trained employees that utilize the latest computer-aided design and manufacturing equipment to ensure top quality, cost effective signage. The most popular metal grades for these signs are, .063 and .080 aluminum and are available with a finish coated with reflective or non-reflective vinyl sheeting. Pricing is for single color signs only. For multi-color signs please call or e-mail for a quote.*

### Sheeted .063 Aluminum

For signs that require heavy indoor or moderate outdoor use. This durable gauge can be post mounted in sizes up to 18" x 24" and is excellent for fence or building mounting.

### Sheeted .080 Aluminum

For signs that require outdoor use. This heavy gauge metal is designed for post mounting and has an anodized finish.
